Eastern Music Festival just completed its 50th Anniversary season and it was an astounding success! This summer, we hope your students will join us as we look toward the future and continue to foster the talent of young musicians as they pursue their musical dreams.

At EMF in 2012, students will work with excellent conductors such as Music Director Gerard Schwarz and Associate Conductor José-Luis Novo; learn from guest artists Elmar Oliveira (violin), Tasmin Little (violin), Mark Kosower (cello) and Robert Vernon (viola); and be mentored by members of our resident faculty orchestra.

Enclosed you will find 20 postcards announcing our 2012 Summer Program. Please make these available to the members of your youth orchestra (ages 14-22). If you need additional copies, please contact me and I will be happy to send you more.

Thank you for your assistance and dedication to enriching the lives of young musicians through educational and performance opportunities. We hope some of your members join us this summer. If you have any questions, please do not hesitate to contact me.

Sincerely,

Melissa M. Edwards
